1. COVER

Cover is granted from the time the contract is signed, and once *you* have paid the premium.

1.1. "All Risks Except" Cover

The *items* are insured against all *material damage* that might occur during the policy period, subject to exclusions, on the basis of the rules of indemnity and subject to these general and *your special terms and conditions*.

1.2. "Nail to Nail" Cover

You are granted "nail to nail" cover, i.e., from the handling of the *items* at their original location, during their transport, the stay at the exhibition, the return journey and during the handling of the *items* at their return location.

This cover is granted within the deadlines of the cover period indicated in *your special terms and conditions* and insofar as these operations take place as part of an insured event.

If the insured *items* are returned to an address other than that indicated in *your special terms and conditions*, *you* must advise *us* beforehand, under penalty of forfeiture. In this case, *we* reserve the right to adjust the premium accordingly.

The *items* remain insured worldwide free of charge if, as a result of a covered claim, they have to be transported to or remain at a different risk address for the purposes of an expert report or restoration.

2. EXCLUSIONS

The *insurers* exclude *material damage*:

2.1. caused by:

- a. wear, gradual deterioration, or normal deterioration resulting from use and time.
- b. variations in hygrometry or temperature, exposure to light or heat or to inclement weather, unless these occur *accidentally*.
- c. rust, oxidation, warping and shrinkage, unless these occur *accidentally*.
- d. moths, vermin, insects, and parasites, unless these occur *accidentally*.
- e. any inherent defect in the *item*.
- f. saline corrosion if the *item* is shipped by sea.
- g. deficient or faulty maintenance.
- h. any cleaning, repair, or restoration of the *items*.

2.2. connected to a mechanical or electronic failure intrinsic to the *item* itself. However, resulting *material damage* remains insured.

2.3. caused by or resulting from:

- a. an *act of terrorism*.
- b. nuclear, biological, or chemical contamination (NBC) caused by or resulting from an *act of terrorism*, including poisoning or total or partial inability to use an insured *item*, as a result of the effects of a biological, nuclear or chemical agent.
- c. a change to the structure of the atomic nucleus, radioactivity, the production of ionising radiation.
- d. a strike, riot, public demonstration, military or usurped siege and hostilities.
- e. war and civil war, whether declared or not.
- f. confiscation, nationalisation, requisitioning, destruction or damaging of *items* by or on order of any government or public and/or local authorities.
- g. earthquake, tidal wave, or volcanic eruption.
- h. direct or indirect use of a computer, an electronic system, or an antivirus program whether or not intended to cause harm to an insured *item*, person or data. It is agreed that this exclusion does not apply to *material damage* covered as a result of theft, even if the theft was committed by means of a computer, an electronic system, a software program, a virus or a computer process or another electronic system with the intent of causing harm solely to the *insured party* and/or to an insured *item*.
- i. clearly insufficient packaging, depending on the nature of the *item* and shipping method.
- j. shipping by regular postal services or private courier services.

2.4. following any unexplained disappearance of an insured *item*.

2.5. occurring as a result of breakage or tearing of *fragile items*.

- 2.6. any act intentionally caused by the *insured party* and, in compliance with the law, any consequences resulting from a *fraudulent* act attributable to the *insured party*. Any intentional or *fraudulent* act committed by anyone other than the *insured party* remains covered.
- 2.7. for which *you* did not enter a written reservation on the carrier's delivery note upon receipt or return of the *items*. However, if *you* added the note "Subject to unpacking" on the acceptance or return note, this exclusion does not apply if the *material damage* is observed during unpacking within 30 days of the date of acceptance or return.
- 2.8. which originated outside the insurance period specified in *your special terms and conditions*.
- 2.9. *items* located outside the closed buildings.
- 2.10. loss, injury, liability, costs or any direct or indirect consequence caused by, arising from or connected to a substantiated or potential transmissible disease or the fear or threat of such a transmissible disease, as well as any act performed in order to limit or prevent such a transmissible disease.
Transmissible disease is understood to mean any infectious or contagious disease or disorder, of whatever nature or origin, i.e., a disease or disorder that may in any way be directly or indirectly transmitted from one person or animal or other contagious source to another person, animal or other source and that was caused by a virus, bacterium, fungus or mould, a parasite, or any other known or unknown micro-organism or pathogen.

The *insurer* (acting directly or through reinsurance) shall not be deemed to provide cover, pay a claim or assist, to the extent that the provision of such cover, the payment of such a claim or provision of such assistance would expose it to any sanction, prohibition or restriction under United Nations resolutions, laws and regulations enacted by the European Union, or any other state imposing economic or trade sanctions.

3. YOUR OBLIGATIONS

3.1. When the policy is taken out

You must declare the details of the risk precisely and fully, without making any false statements. The *insurers* have accepted their obligations on this basis, which is used to calculate the premium. Every omission, intentional inaccuracy or *fraud* in the declarations will lead to the contract being declared null and void.

3.2. From the effective date of cover

You undertake to:

- Notify *us* of any pertinent and lasting change in the risk that *you* have declared to *us*. The *insurers* reserve the right to adjust or cancel the policy, after the risk is modified.
- Take every reasonable measure to ensure the protection of the *items* and to maintain them in good condition.
- If *you* have means of protection as indicated in *your special terms and conditions*
 - ✓ Keep such resources in good working order. Otherwise:
 1. Notify the installer as quickly as possible so that repairs can be carried out.
 2. Notify *us* in the event that the repair work cannot be carried out within 24 hours.
 3. Take all necessary safety measures in good faith during the entire period of the system's failure.
 - ✓ Do not alter them without *our* prior approval.
 - ✓ In the event of a failure or breakdown, take every measure necessary for the installation to be repaired and notify *us* thereof as soon as possible.

3.3. In the event of a claim

Under penalty of forfeiture of the cover, *you* undertake to:

- Immediately take all reasonable and necessary measures (at the expense of the *insurers* if the claim is covered) to:
 - ✓ Limit the extent of the claim.
 - ✓ Safeguard the insured *items*.
 - ✓ Maintain the possibility of recourse.
 - ✓ Allow the damage to be recorded.
- Send *us* a claim declaration within 24 hours of the discovery of the facts.
- In the event of loss, theft, disappearance or suspected malicious intent, file a complaint with the police and send *us* the reference number and copy of the police record.
- Send *us* an estimate for restoration.
- Provide *us* with *your* full cooperation in initiating the appropriate legal proceedings or undertake any appeal to which the *insurers* would be entitled.
- Provide all useful information and proof that could reasonably be requested.

4. INSURERS' OBLIGATIONS

4.1. Procedure for declaring a claim

In the event of a claim, we will do our utmost to ensure *your* full satisfaction. Please report any claim to:

- Your broker whose contact details are listed in *your special terms and conditions*.
- Otherwise, to *us* at the following e-mail address: claims@eeckman-underwriting.com.

If *you* feel that *your* claim has not been dealt with properly and has not been indemnified equitably, *you* are also entitled to contact other bodies – such as *insurers*, the ombudsman or the regulatory authority. For *your* convenience their contact details are included on *our* website at www.eeckman-underwriting.com.

The *insurers* undertake to indemnify the *insured party* within a maximum period of 30 days following receipt of the release form completed and signed by the *insured party* and, as the case may be, the restitution of the *items* for which the *insured party* was indemnified.

4.2. Compensation terms for a claim

For individually listed *items*, the *insurers* indemnify at their discretion:

- Either the cost of repairs to the *items*, including possible *depreciation* observed after restoration, without, however, exceeding the *agreed value*.
- Or the *agreed value*.

For *items* not listed individually, the *insurers* indemnify on the basis of the purchase value of an equivalent *item* immediately prior to the claim without exceeding the overall sum insured. This value is agreed by mutual consent or, failing that, by a jointly appointed expert.

In all cases, *depreciation* of an *item* that has been restored after a claim may be considered, under the following conditions:

- The restoration process may only proceed after the explicit consent of the *insurers*.
- The restoration process must be carried out by the artist who created the *item* or by a highly qualified specialist, approved by the *insurers*.
- After restoration, the experts acknowledge an actual decrease in the commercial value of the *item*.

The certificate linked to a conceptual *item* is considered as forming part of the *item*.

4.3. Set of *items*

In the event of *material damage* to one or more elements forming an *item*, the *insured party* may require compensation for the whole *set*, without exceeding the insured value of the whole *set*.

4.4. Deductible

If you have chosen to include a *deductible*, this will be deducted from the total compensation.

4.5. Ownership of an indemnified *item*

The *insurers* will become the owners of the *item* that they have fully indemnified in accordance with the procedure laid down in Article 4.2.

4.6. Recovery of a lost or stolen *item*

In the event that an *item* is recovered after a claim, *we* will inform *you* in writing as soon as possible, to *your* last address provided to *us*.

In the event that *you*, the *insured party* or the beneficiary of the indemnity recover the indemnified *items*, *you*, the *insured party* or the beneficiary of the indemnity are to inform *us* in writing as soon as possible.

In both these cases, the *insured party* may buy back the *item* indemnified by the *insurers* within 90 days of receipt of the letter informing the *insured party* that the *items* have been recovered. The *insurers* will claim the indemnified amount, plus interest at legal rates.

The *insured party* or the beneficiary of the indemnity must produce its title deed to the *item*.

4.7. Exchange rate

Calculation of the premium is based on the reference currency listed in your *special terms and conditions*. All of the values will be converted into the reference currency. In the event of compensation, payment will be made in the original currency.

5. GENERAL PROVISIONS

The *insurers* will intervene only on the condition that *you* have fulfilled the obligations resulting from this contract.

For instance, if the prevention or maintenance measures imposed by this contract have not been respected, **the *insurers* reserve the right to refuse to pay any compensation to the *insured party* if such failure impacts the cause or the severity of the claim.**

5.1. Contract terms and conditions and payment of the premium

The contract is initially signed for the policy period referenced in *your special terms and conditions*. At the end of this period, the contract will or will not be renewed in accordance with the procedures referenced in *your special terms and conditions*.

You have the obligation to settle the premium *we* ask of *you* within 30 days of the inception date, or the renewal date of *your* contract, if any.

Non-payment of the premium will have serious consequences. It will in fact result in the suspension of *your* cover or the cancellation of *your* contract in accordance with legal provisions.

5.2. Termination and renewal

In the event of tacit renewal of the contract, each party has the right to terminate the contract by giving at least 3 months' notice before the annual renewal date.

Any termination must be notified by registered letter sent to the last address communicated by *you* or by *us*.

The contract may be terminated in the event of a claim, either by *you* or by *us*, within 30 days following the payment of a claim or the refusal to pay a claim. In this case, the fraction of the annual premium corresponding to the period when the risk was not covered will be reimbursed to *you*.

If *your* contract is renewed, *you* explicitly authorise *us* to accept, in *your* name and on *your* behalf, the replacement of an *insurer* by one or more other *insurer(s)* upon the annual renewal of the present contract. This possible change will be mentioned in *your* annual premium invoice.

5.3. Subrogation

The *insurers* are subrogated in the rights of the *insured* up to the amount of the indemnity they have paid the *insured*. The *insurers* undertake not to infringe on the right of the *insured* to claim from third parties the part of the damage that has not been compensated.

5.4. Coinsurance

The obligations of any *coinsurers* under this contract are several and not joint with other *insurers* party to this contract. An *insurer* is liable only for the proportion of liability it has individually underwritten. *Coinsurers* are not liable for other *coinsurers* who, for any reason whatsoever, do not fulfil some or all of their obligations. In the event of a claim, the *co-insurer* with the greatest share shall be considered the leading *insurer* and shall coordinate management of the entire claim on behalf of all the *coinsurers*.

5.5. Applicable taxes and fees

We are responsible for collecting, on behalf of the *insurers*, the legal taxes relating to the contract. You authorise *us* to increase the premium by any administrative fees.

5.6. Jurisdiction, applicable law

The relevant courts and laws are those referenced in *your special terms and conditions*.

The fact that a court might rule one of the clauses of the contract as not applicable will not affect the validity of the remaining clauses.

5.7. In the event of a difference of opinion

We shall make every effort to fully satisfy *you* in the execution of the terms and conditions of this contract. If, however, *you* should not agree with the application of this contract, *you* can refer to:

- *your broker*, as named in *your special terms and conditions*.
- *us*, at the following e-mail address: compliance@eeckman-underwriting.com.

If *your* complaint has not resulted in a satisfactory response within 30 days, *you* are entitled to contact other bodies - such as *insurers*, the ombudsman or regulatory authority. For *your* convenience their contact details are included on *our* website at www.eeckman-underwriting.com.

5.8. Use of *your* personal data
